Luxury sailing in Croatia

Designed for daytime lounging and dining, Sunreef 80 is a truly dream boat for a week cruise through the turquoise waters of Croatia, one of the most colourful sailing grounds in the world with over 1000 islands together with a stunning coastline.

Start your charter from **Trogir** or **Split** where the Sunreef 80 is based, to discover charming towns, where history blends with cosmopolitan chic.

Continue further to **Brač**, the third largest island in the Adriatic, yet retaining a feeling of remoteness with its stone villages and golden beaches famous for windsurfing due to the prevailing winds.

South of Brač is **Hvar**, an island of vineyards, olive groves and lavender surrounded by crystal blue sea, offering the largest number of sunny hours in a year.

Far from the mainland in the middle of blue Adriatic is the island of **Vis**, rich in palm trees, known for its fishermen, sailors, pristine nature, and its delicious local cuisine.

While sailing near **Korčula** island, stop by for a swim in its beautiful secluded bays and capes in the crystal-clear sea.

Have a look around **Dubrovnik**, the "pearl of the Adriatic", one of the most beautiful ancient coastal cities offering stunning landscapes and modern entertainment year-round.
